TEACH KIDS 50 SHADES SEX!

THE FACTS: OF LIFE: Sex education will tell the whole truth

Campaigner's shock call

By BARNEY SAMUELS news@sundaysport.co.uk

KIDDIES should be taught about FIFTY SHADES-style S&M sex, a prominent campaigner has insisted.

Human rights advocate Peter Tatchell – who famously tried to ARREST Zimbabwe tyrant Robert Mugabe – said kids should also be taught about MUTUAL MASTURBATION, BUMMING, BLOWJOBS and LICKING OUT!

It forms part of a list of 13 practical and ethical suggestions that Tatchell wants schools to teach their pupils.

From September 2019, relationships education will be compulsory in all state-funded primary schools, and relationships and sex education will be mandatory in all secondary schools.

But a curriculum has yet to be published by the government.

Anal

Mr Tatchell said that age-appropriate sex and relationships education should take place throughout a child's school years, but not be explicit at primary level.

He also said that it should be harder for parents to withdraw their children from sex education lessons, calling for a new requirement that parents attend school to remove their child from each lesson.

Mr Tatchell added that schools should give pupils "all the facts" – including about acts some folk may dislike.

He said: "Sex education will tell the whole truth about every kind of sexual relationship, perhaps including sexual practices some people might find distasteful, such as anal intercourse and sadomasochism.

SUGGESTIONS: Peter Tatchell

"The purpose is not to encourage young people to do this, but to give them understanding so that if they do it, they know what they are getting into. They know the limits, they know the risks and they can make a choice."

Mr Tatchell also called for schools to tell pupils about oral sex and mutual masturbation – in the interests of their health.

He added: "If schools were serious about cutting the incidence of teen pregnancies, abortions and HIV infections, they ought to highlight a healthier and safer alternative to vaginal and anal intercourse."

New Spice leaves 'em feline thirsty

A NEW form of zombie drug Spice makes users lap water from gutters and ponds like CATS, drug campaigners warn.

The bizarre behaviour could leave users vulnerable to picking up death plagues like TYPHOID and CHOLERA.

Drug worker Harrison Butler shuddered: "We have no idea what causes this.

"All forms of Spice really, really fk with the brain."**

THURS HOT

THE HEAT IS ON!

TODAY sees most of Britain bathed in lovely, warm sunshine – broken only by the odd cloud in the south.

Northern England and Scotland will enjoy the best conditions.

Temperatures of 19C in London, 21C in Cardiff, Manchester and Belfast and 15C in Edinburgh.

Monday sees more of the same as warmer weather moves in to all areas.

Temperatures of 25C in London, 23C in Cardiff, 24C in Manchester, 23C in Belfast and in Edinburgh.

OUTLOOK: Warm and muggy.

BLOWN AWAY: Mike is fuming at complaints at his big sign

WHAT A FANNY BUSINESS!

Filthy-minded prudes force whistle maker Mike to change company name

WITH the World Cup in full swing, whistle-maker Michael Hunt should be coining it in as thousands buy his products to peep support for England.

But the 56-year-old businessman is instead bogged down changing the name of his firm after complaints about his signage.

Because, apparently, a huge sign declaring MIKE HUNT WHISTLES is not appropriate for prim Leamington Spa, Warks.

Fuming Mike, who has been in the whistle business for 20 years, raged: "This all blew up three months before the World Cup when production was flat out.

"Everyone wants to blow a whistle in the pub during a big match, so it's a bonanza for us. But I had to drop everything and deal with these stupid complaints. I've lost thousands.

"I had people from the council, the local paper, the lot, to deal with. All because my sign reads Mike Hunt Whistles.

"Mike Hunt is my name and whistles is my game. Is it my fault if people have dirty minds?"

After countless meetings, Mike has been "persuaded" to change the name on the sign.

He said: "It's not just the sign, I need to change the name of my business. That involves changing letterheads, bank accounts, VAT details, the lot.

"But I was told, in no uncertain terms, that it'd be 'unhelpful' if I refused to change the sign."

One neighbour, who asked not to be named for fear of reprisals, said: "It was not so much the name, more to do with the class of people who came to look at the sign and take photos for their 'social media'.

"Not Leamington people, if you get my drift."

Film bosses Park lesbo action

A LESBIAN scene was cut out of blockbuster movie *Jurassic World: Fallen Kingdom*, one of its stars has revealed.

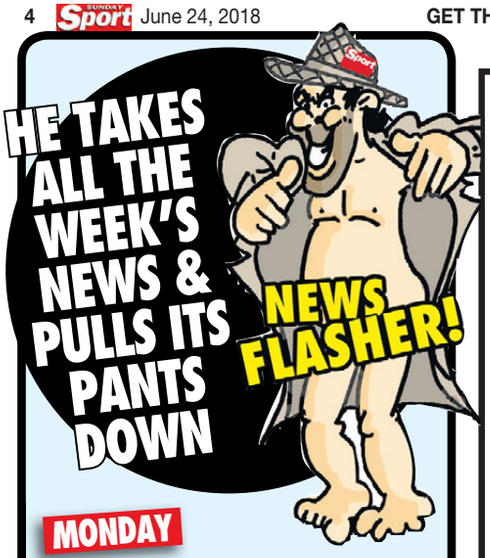
Actress Daniella Pineda, who plays the part of Zoe Rodriguez, a paleoveterinarian – or dinosaur vet – said there was a scene in which her character was revealed to be a rug-muncher, but it ended up on the cutting room floor.

Daniella, 30 (*right*), said she "understood why they cut it," explaining the decision was made "for the sake of time".

But she was disappointed, saying the moment provided "a little insight" into her character.

Recalling details of the scene, Pineda said it involved her and co-star Chris Pratt, adding: "We are in a military vehicle with all of these mercenaries.

"I look at Chris and am like, 'Yeah. Square jaw. Good bone structure. Tall. Muscles. I don't date men, but if I did, it would be you. It would gross me out, but I would do it'."



MONDAY

ENGLAND'S footballers chalk up their first World Cup win in the Russian city previously known as Stalingrad – the scene of a brutal six-month siege during World War II.

It was a fitting place for victory because our brave heroes often talk about the need for a "siege mentality" during international tournaments.

The only difference is that, instead of sacrificing around half a million men to stop the Nazi war machine, they mean having to answer horrid questions about Raheem Sterling's choice of tattoo.

TUESDAY

PRINCE Harry and his new bride Meghan turn up to the first day of Royal Ascot.

The prestigious event sees beefed-up security, to prevent the heavy drinking and rowdy behaviour that has marred the festival in recent years.

Luckily, Harry behaved himself.

WEDNESDAY

CANADA legalises the recreational use of marijuana.

It's not a huge leap, to be fair. They already have a leaf on their flag and can easily change the lyrics of their national anthem from "O, Canada!" to "O, Cannabis!"

Also, they live next door to Donald Trump. Wouldn't you need some extra help to relax?

THURSDAY

DONALD Trump's missus causes a stink by visiting a detention centre for migrant children while wearing a jacket with a huge slogan on the back saying: "I really don't care. Do u?"

To be fair, it's highly unlikely that Donald even saw it.

He hasn't looked at the back of any coat since his schooldays, as he knew full well it would be plastered with a mixture of gob, "kick me" signs and knob graffiti.

FRIDAY

A REFORMED gangster accuses the BBC of encouraging gang violence by its choice of provocative rap music on the "urban" radio station 1Xtra.

To make matters worse, the problem has even spread to Radio 2.

Only last Sunday, Elaine Paige shamelessly broadcast a song from the notorious *West Side Story* promoting the deadly Jets of New York, whose vicious recruits are expected to swear allegiance from their first cigarette to their last dying day.

SATURDAY

A CAREERS adviser is condemned for trying to motivate her students with an inspirational quote – not realising it was first uttered by the Nazi General Erwin Rommel.

There is NO place for Nazism in the British education system. Not including the P.E. departments, obviously. Cross country runs don't organise themselves, you know.

BEAUTIFUL DAME: Hot Natalya gets football fans aroused at the match

SUCKCESS: Beauty Natalya has impressed football fans with her body and oral skills

By BECCA STUBBS
becca@sundaysport.co.uk

RUSSIA'S sexiest supporter is actually an X-rated PORN STAR who's starred in DOZENS of see-it-going-in grumble flicks.

Natalya Nemchinova, 28, grabbed everyone's attention when she was spotted in the crowd during Russia's opening game against Saudi Arabia.

However, behind the smiling, crop-top wearing beauty is a bukkake loving gang-banging babe who's antics are splashed all over the internet.

Blonde Natalya has been spit-roasted by two horny fellas and been at the centre of a nightclub orgy.

And all of her kinky activities have been caught on camera, including the moment she sucked off the gent above to completion.

Fans have flocked online to see her nude.

One said: "I've been glued to this football but when I saw Natalya it reminded me of all the filth she's done.

"So I went and had a break from the telly and wanked myself silly to her porn – she's a right kinky mare."

With Russia now qualified for the knockout stages, fans are hoping Natalya will make yet another appearance to cheer on her national side.

Jada: 'I've got a peach of a fanny!'

GOTHAM star Jada Pinkett Smith says she has the minge of a 16-year-old and claims her ladyparts are like "a beautiful peach" after undergoing a fanny refit.

The actress, who is married to Will Smith, revealed the news on an episode of her Facebook series *Red Table Talk*, during which she and mother Adrienne Banfield-Jones, 64, visit the Vitality Institute of Agoura in Los Angeles.

Jada (above), 46, told viewers: "A lot of women focus on keeping [the vagina] healthy for sex and pleasing man."

After undergoing the process – which involves inserting an instument which emits radio frequencies to stimulate cells – she proclaimed: "My yoni is like a 16-year-old – I'm not kidding. It looks like a little beautiful peach."

So addicted to Fortnite I've been shitting into a traffic cone for THREE WEEKS

DIRE REAR: Fortnite fan Tom squats on a traffic cone so that he can keep on playing

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

news@sundaysport.co.uk

IT'S the computer game that's more addictive than playing a fixed-odds roulette machine while high on crack!

Fortnite Fever has gripped the world, with youngsters and not-so-youngsters so hooked on the survival shoot-'em-up they're missing meals, skipping school and playing 24/7.

But gaming addict Tom Foster has taken his addiction to a whole new level.

Pants

Realising trips to the loo would interrupt his Fortnite playing, 40-year-old Tom dispensed with pants and now shits into the top of an old TRAFFIC cone when he feels the need.

And he's been using his makeshift loo for THREE WEEKS!

Without taking his eyes of his computer screen, unwaged Tom, of Congleton, Cheshire, told *Sunday Sport*: "If you've never tried Fortnite, you'll never know how important it becomes in your life.

"Some say it's an addiction but I feel it's more of a duty. The Earth is under attack from zombies, for heaven's sake!"

The premise of Fortnite is that 98 per cent of Earth's population suddenly disappears, and the remaining humans find the skies covered in dense clouds, creating chaotic storms that drop "husks", humanoid zombie-like creatures, that attack the living.

ZOMBIE BATTLE: Game that's got millions hooked

Survivors construct a "storm shield", a field that clears the storm clouds from overhead and reduces the attacks from husks.

They then set up survivor bases across the globe. The player is a commander of one of these bases, charged with finding a way to return Earth to its normal state.

Tom said: "It's too important to interrupt by going to the toilet."

Mum Freida, 76, who brings food and drink to her deranged son and empties his traffic cone when it gets full, said: "People say I'm mad, running around after him.

"But if he's not playing with his computer he's up the park, sniffing the slide, and we don't want any more of that business thank you very much."

LOVE ISLAND EXCLUSIVE

@Loveisland bring smoking eating and sex back in the next season this one looks too fake it's not reality. I miss the old seasons and how the asthetic looked

UNDER COVERS: Fans are angry that they didn't see Megan and Eyal have it off

FANS of reality TV show *Love Island* are DESPERATE to see SHAGGING and have accused ITV2 of "covering up" the graphic sex scenes.

Last week Islanders Megan Barton-Hanson, 24, and Eyal Booker, 22, were the first couple to bonk in the bedroom, as Wes Nelson, 20, confessed others had been "doing bits".

It took three weeks for the first shag, the longest time ITV2 have had to wait for a bonk on the show and viewers weren't happy they didn't get to see every detail of the romp.

One took to Twitter and said: "Bring smoking eating and sex back in the next season this one looks too fake it's not reality."

In series two of the show, viewers saw everything as two Islanders enjoyed a shag in a wardrobe and another couple had sex on top of the duvet.

Former *Love Islander* Malin Andersson, 25, who romped loads on series two, said: "Hold on so love island aren't showing sex scenes this year lol."

Love Island continues on ITV2 tonight at 9pm.

Lawn lover snaps at dumpers

A HOUSEHOLDER is so fed up with backpackers SHITTING on her lawn, she's taking their pictures!

Disgruntled Michele Jones, of Surfers' Paradise in Queensland, Australia, says she's put up with poopers from all over the world dumping turds on her neatly-clipped turf.

After being subjected to a bare bottom whilst sipping on her morning coffee last week, she took out her phone, and snapped a backpacker at squat.

Michele said: "She knows she was photographed, she started screaming some foreign language at me. For years this has been a problem. I like to keep our property neat, we don't want backpackers' rubbish, and other things."

Dog-minge inspector: 'Bitches are oppressed'

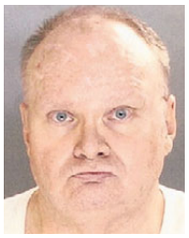
A FEMINIST scholar inspected 10,000 dogs' MINGES for evidence of "non-consensual canine sex".

The monthly journal *Gender, Place and Culture* printed a piece by researcher Helen Wilson about "rape culture" in "urban dog parks."

The article, titled "Human reactions to rape culture and queer performativity at urban dog parks in Portland, Oregon," argues that female dogs suffer oppression at the paws of male dogs and that humans are "indifferent to violence between dogs".

Wilson concludes: "Female dogs are relatively oppressed as a class compared with male dogs; male dogs who discharge their sexual urges on other male dogs or on humans rather than females are disproportionately subject to physical punishment; and female dogs are intentionally subjected to real and ever-looming threats of canine rape. The parallels to human societies under feminist and queer theories are clear, especially within analogous human spaces in which straight, white, and/or male dominance is the norm."

One dog lover said: "We have reached peak bollocks."



Car w*nker nailed by spunk on vest

A MAN who denied wanking in his car at the entrance to a park was snared... thanks to spunk stains on his VEST!

George Haven, 63, was spotted leaning back in his car and furiously masturbating at Nay Aug Park in Scranton, Pennsylvania.

Witness Karl Wilk called cops and told Haven the police were on the way – but the cocky perv insisted: "I'll deny everything."

Haven told officers he was hot and sweaty and was merely "fanning himself".

But eagle-eyed officer Michael Morrison spotted a splodge of splooge on Haven's vest and he was arrested.

He's been charged with indecent exposure and open lewdness.

'HATE' WARMING

A CROSS-PARTY committee of MPs have recommended making it a hate crime-style CRIMINAL OFFENCE to use the expression "global warming".

APOLOGY: Lord Sugar was forced to climb down over his harmless tweet about the Senegal team

FOR GOD'S SAKE... IT WAS A BLOODY JOKE!

SUNDAY Sport SPEAKS FOR COMMON SENSE

ALAN Sugar's no shrinking violet.

After years at the top of business and in the footballing world, he's used to insults.

It takes more than a bit of controversy to rattle his cage.

But even he must have been completely taken aback by the utter shitstorm whipped up by his JOKE tweet last week about the Senegal football team.

On Wednesday, Lord Sugar tweeted a picture of the West African team edited to include handbags and sunglasses laid out on sheets, with the caption: "I recognise some of these guys from the beach in Marbella. Multitaskingresourcefulchaps."

Gag

As anyone who goes to the Med will know, African guys sell sunglasses on the beach.

It was not the funniest gag that's ever been told.

And in today's hysterically politically-correct climate, it may not have been the most sensible thing for a high-profile figure to share in public.

But the hurricane of confected outrage it started was WAY out of proportion.

And don't forget – most of this outrage WAS false.

Everyone with an axe to grind with Lord Sugar, everyone keen to "virtue signal", everyone keen to parade their PC credentials took to social media and in one shrill, unthinking voice shrieked RACIST!

Yes, the tweet may have poked fun at a national stereotype.

But poking gentle fun is NOT racism.

Just like "An Englishman, Irishman and a Scotsman..." jokes are not racist.

The dictionary defines racism as: "prejudice, discrimination, or antagonism directed against someone of a different race based on the belief that one's own race is superior."

NOTHING in Lord Sugar's tweet fits that definition.

But there is, unfortunately, a whole class of people who are determined to redefine racism as "anything I don't agree with".

And that even applies to jokes.

By calling what Lord Sugar posted racist, these keyboard warriors are hugely diminishing the horrifying suffering that people have suffered down the ages because of REAL racism.

Lord Sugar himself is from a Jewish family, and the Jewish people, more than most, know what real racism looks like.

There have been calls for Lord Sugar to be sacked from his brilliant and popular TV show, The Apprentice.

Humour

No lesser a person than an adviser to the President of Senegal has called for Sugar to be sacked!

Labour MP Dawn Butler said she would be writing to the House of Lords Commissioner for Standards and the BBC to call for an investigation.

Well, hope that makes you feel very important, pet.

Inevitably, Lord Sugar was forced to apologise.

He said: "I misjudged my earlier tweet. It was in no way intended to cause offence, and clearly my attempt at humour has backfired. I have deleted the tweet and am very sorry."

We preferred his earlier reaction..."IT WAS A BLOODY JOKE"!

Axed fire crew couple: We're not porn stars

A FIREFIGHTING couple suspended over claims they filmed themselves having sex at work insist they are "live streamers" – not porn stars.

Lt. Art Dean and his partner Deann Eller admitted the videos – posted online under the name 'firecouple11' – were explicit, but said they were intended as private live streams.

As reported in the *Midweek Sport* last week, one racy video uploaded to a porn site in 2015 appears to show Eller having a nude workout in a gym.

The pair's attorney Brian Pierce said:

"Somebody illegally obtained the footage that has been shown on the news.

"They are not embarrassed about it. They're not ashamed about it. This is something that was done between the two of them and they had certain safeguards."

Dean and Eller, from Akron, Ohio, were put on leave last week after bosses received an anonymous tip-off about the clips.

Both are 18-year veterans, with Pierce insisting they have an "unblemished record."

A wank at work is 'human right'

WATCHING porn at work and masturbating at your desk could be your HUMAN RIGHT, if you can prove you're a SEX ADDICT!

Lawyers have warned that human rights and disability discrimination legislation could force employers to allow sex-addicted workers to blow off steam – and more – in the workplace.

Muneeza Sheikh, partner at Candian law firm Levitt LLP explained: "This is an area of the law which is evolving. An employer has an obligation to accommodate workers up to the point of undue hardship.

"In the case of sex addiction, where an employee claims the nature of this addiction requires them to view pornography at work, from an employer's perceptive they could argue this is past the point of undue hardship."

GHOST OF DIRTY DEN HAUNTS MY TAXI

SOAP LEGEND: Leslie Grantham (*right*) with his on-screen wife Angie played by Anita Dobson

CRASHED: Actor's spirit tapped Niklaus on shoulder as he drove

CABBIE Niklaus Kolisnyk said his "spine turned to jelly" when the ghost of Dirty Den legend Leslie Grantham tapped him on the shoulder and whispered: "Hello princess!"

By BRAD CHADWICK
news@sundaysport.co.uk

Such was his shock, the 54-year-old's cab mounted the pavement and crashed into a candle shop.

And he now risks losing his livelihood because, right after the smash, he took a slug of vodka to steady his nerves – and is now looking at a drink-drive rap!

Ukraine-born Niklaus, who drives a taxi in Hamburg, Germany, said: "I spent four years driving taxi over in Manchester and I know all about *EastEnders* Mr Dirty Den and how he bloody killed a taxi driver in Germany.

Breathaliser

"He is last bloody person a taxi driver wants haunting his cab!"

Leslie Grantham, who died earlier this month aged 71, was jailed in 1967 after being convicted of murdering Felix Reese in Osnabruck, Lower Saxony.

Niklaus said: "Police who made me take breathaliser test not believe my story that my taxi haunted by your Dirty Den Leslie Grantham.

"They say I'm telling the story of the fairies and that I am drunken Ukrainian bastard."

Meanwhile, it's been reported that Grantham, who was once the biggest soap star in Britain, died almost penniless after battling cancer.

A 1986 Christmas Day episode of top Beeb soap *EastEnders* drew an audience of more than 30 million viewers, who watched as Watts handed over divorce papers to his on-screen wife Angie, played by Anita Dobson.

It remains the biggest audience for a UK soap, beating even the *Corrie* episode where Norris loses his spectacles.

Dirty Den was killed off in 1989 but made a shock return to Albert Square in 2003 – only to be finally killed off in 2005 after Grantham was caught masturbating on a webcam as part of a tabloid sting.

EXCLUSIVE

By GRACE HOOPER
news@sundaysport.co.uk

ROCK festivals – mud, loud music, booze, those funny cigarettes that William Hague is so keen to make legal…and lashings of SEX!

It's true that the tented cities which surround the main stage have been hotbeds of nookie since the hippies travelled to a place in New York's Catskill Mountains near a town called Woodstock.

We're deep into festival season and even though Britain's best-known bash – Glastonbury – is not on this year, there are more than enough events to satisfy the bleeding ear brigade.

Married Emma and Pete Grant from Derby have already been to Download, and this weekend they're at the Isle of Wight.

Spice

Still to come on the couple's festival tour are the Green Man Festival, Latitude, Bestival and Creamfields.

But it's not just the music that the randy pair are interested in – even though both are great fans of the hugely irritating Radio6Music.

As seasoned swingers, they like going to festivals for the SEX!

Emma, 27, said: "Pete and I got married quite young but even before we got wed, we were into swinging. I think there's a bit of a stereotype that swingers are all middle-class couples desperately looking for something to spice up their love lives.

"There are people like that on the scene, obviously. But there are also a lot of younger couples like us who just enjoy sex with lots of different people.

"It's purely sex-for-fun. And when you can incorporate that with a weekend listening to your favourite bands, what's not to like?"

Pete explained that the couple realised the swinging potential of music festivals when they travelled to Glastonbury in Somerset in 2015.

He said: "We were thrilled to get tickets as there were some top acts playing like Florence and the Machine, The Libertines and Paul Weller. That was the year, if you remember, there was a little bit of controversy, as Kanye West was headlining on Saturday."

Hooked

But there was no controversy in the Grants' tent, where all was sweetness and free love.

Emma said: "We found there were several online groups for swingers going to Glastonbury, which is not surprising, really, given the festival's hippy roots.

"We joined and chatted in the days leading up to the festival. Within a few minutes of us arriving, we'd already hooked up with a couple of gay girls from Brighton who fancied a foursome.

"One of the girls had literally never had a cock before and had this fantasy of being f**ked by a guy while her girlfriend rimmed her. As you can imagine, Pete was well up for that.

"What an intro into festival swinging!"

Pete added: "We made some really good friends on the festival scene and there are maybe hundreds of couples like us for whom the sex is just as important as the music.

"At Bestival last year, this couple from Nottingham, Gail and Stuart, we knew were on site when we arrived. Emma was sucking off Stuart in the back of their VW camper before I'd even got the tent up!

"It was mad. Gail came up to me and said 'Why should they have all the fun?' and bummed herself with the handle of my tent peg mallet than wanked me off over her tits.

"It was broad daylight but nobody batted an eyelid!"

Emma, who insists the couple always practise safe sex, said that her best experience was at the Isle of Wight.

Britain's original answer to Woodstock, the Isle of Wight is famous throughout the world. In 2016 The Who, Stereophonics and Queen were headlining.

But for Emma, it will always be remembered for her first five-man SPUNK SHOWER!

She said: "I'd always fancied bukkake. The idea of being showered in cum by a load of men is such a turn-on. At the Isle of Wight, my dream came true.

"There I was, on my knees, with five guys standing around me, all wanking their thick cocks. One my one, they came in my face. I was rubbing my wet pussy like mad and came like crazy.

"God, that was good. Unfortunately, I was so busy getting covered in spunk, we missed Faithless!"

TEACHER BEGGED FOR TEEN SPUNK!

By OLIVER FLOYD news@sundaysport.co.uk

A MARRIED middle school teacher bounced on the hard cock of a randy teen high school student and begged him for SPUNK in sexy text messages.

PE Miss Alexis Mashak, 27, admitted to having sexual contact with a 17-year-old male pupil between November 2017 and March of this year.

Mashak, of Bangor, Wisconsin, is currently out on bail but is facing four felony charges.

She has been ordered not to have contact with the alleged victim or anyone under the age of 18.

Officials were made aware of the reported "inappropriate relationship" and Mashak was put on paid administrative leave from Meadowview Middle School in Sparta pending the outcome of a district investigation.

According to the complaint, police began investigating earlier this week after CCTV footage from the Sparta Barney Family Community Center caught Mashak kissing the student a day earlier.

Photos

The student said he met Mashak through his girlfriend and that they both worked at a youth club.

The pair told police they had sexual contact in his vehicle, his house and the community venue, and that they shared nude photos, according to police.

She also sent a string of texts, one of which read: "I need your hot cum in my mouth and on my titties."

Mashak is charged with child enticement, sexual assault of a child by a person who works with children and two counts of exposing genitals.

TRAVELLERS have demanded the council clean up Longman Park in Inverness after complaining that fly-tippers are making a mess at their site.

HERE'S a sexy fact you'll want to know about saucy Sammy Braddy – her 32GG boobs get even BIGGER when she's turned on!

The 28-year-old model, from Colchester in Essex, purred: "My boobs do get bigger during sex.

"All the hormones and blood rushing around your body definitely make them look bigger.

Erection

"It's like a boob erection! I'd say they get about half a size bigger during sex.

"It's great!"

And that's a very happy coincidence, as some parts of most blokes get bigger when they see photos – like these taken in the Seychelles – of Sammy in the altogether!

PUT A RING ON IT!

Chloe's kinky BUM SEX proposal

COUPLE: Chloe and Sam on MTV show

By BECCA STUBBS
becca@sundaysport.co.uk

***GEORDIE Shore* beauty Chloe Ferry thought her boyfriend was about to propose – but instead he asked if he could SHAG her up the ARSE.**

Sam Gowland, 22, took his girlfriend and co-star on a date to tell her about his appointment with a fortune teller.

While he told Chloe, 22, that the predictions had told him the pair were ready to "take the next step", she then had dreams of a sparkling engagement ring.

But Sam had fantasies of a different type of ring and used the picnic date to ask Chloe if he could "put it in her arse".

He said: "I had my star sign read. She said the relationship is ready to move to the next step."

Speaking to camera, Chloe said: "Next step? Oh my God! Is he about to propose?"

But Sam continued: "I want to put it in your arse. Well, we haven't done that yet! That is the next step…for the cock to go in the arse.

Chloe later raged: "I thought he was about to propose. Not try and stick it in my arse!"

Life's not a beach for drunk school flasher

A MAN found naked in a school playground told cops he thought he was at the BEACH.

Polish-born Alexander Kolacz, 20, was spotted by a teacher outside a school in Bahrija, Malta, who then called cops.

No kids were outside at the time.

Kolacz later pleaded guilty to exposing himself and being drunk in a public place.

As he was due to leave Malta at the end of the month, magistrates released him on the condition he did not commit another crime.

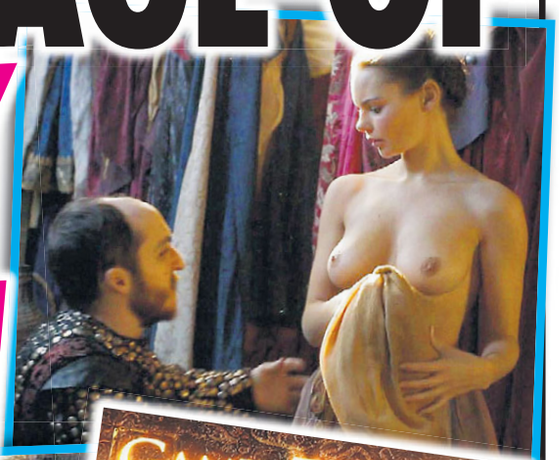
FLESHFEST: Saucy group scene from Netflix hit *Sense 8*

THE GOLDEN AGE OF TELLY FILTH



By SIMON DEAN
simon@sundaysport.co.uk

ORANGES Are Not The Only Fruit. Blackeyes. The Singing Detective.

Gentlemen of a certain age will recall these TV shows with a wistful sigh.

There was a time when tits on telly were such a rare event – there were only four channels back then, too – that they were the talk of the schoolyard for months afterwards.

Kids today, though?

They don't know they're bloody born!

Explosion

The explosion of on-demand streaming telly via Netflix and Amazon and TV outfits like HBO in America have opened the floodgates to telly naughties.

And even the BBC is scrambling to keep up – buying the French filth fest *Versailles* to raise Auntie's titty count.

Today, in a boob-tastic FIVE-PAGE special, *Sunday Sport* examines what has been called 'The Golden Age of Telly Filth'…

Iggy vows she'll keep on stripping

POP babe Iggy Azalea says that stripping naked makes her creative juices flow.

And she is defiantly going to post nude photos on her Instagram, whatever people say about it.

Iggy, 28, who recently stripped down to her birthday suit to pose for clothing label Fashion Nova, hit back at her stuffy critics.

She tweeted: "Say what you want about me posting pictures on Instagram but honestly, it gives me something else creative I can focus on.

Grateful

"Really, it has been helping me lately to feel more positive and just keep my mind in a creative space."

Azalea, also said she's thankful to her fans for supporting her creativity.

She wrote: "If it were up to me I'd be releasing songs at the same rate I post pictures.

"I really care about music and all creative things in my life genuinely. I put my heart into it and I just want to say: thanks for supporting me in anyway genuinely. I'm grateful."

Nude woman nicks car with pet dog inside

A MAN was reunited with his beloved dog after a mysterious naked woman stole his car with the pup still inside.

Matt Sanders was preparing for a planned visit to see his dad on Father's Day last week, and as he was loading his car, he placed his chihuahua, Bear, in the motor.

With the engine still running, Sanders said he ran inside his house to grab more things but when he got back, he discovered a naked woman had locked herself inside the car.

She ignored his pleas to open the door and sped off.

Sanders said he rang police, describing the woman as a middle-aged Caucasian with light, curly hair.

Cops in Braselton, Georgia, found the woman at a hotel early the next morning.

Bear was unharmed and Sanders was reunited with both the dog and his vehicle.

The woman was taken to hospital for an evaluation and it was discovered she's a loon.

Police said that they are withholding the mad woman's identity.

'Bored' sex dolls can say 'no' to nookie

SEX dolls in the future will be able to turn down their masters' demands for nookie if they're not "in the mood".

Spanish engineer Sergi Santos says his latest version of 'Samantha' has a special mode that will allow her to let her owners know when she is bored with their attentions.

The sex droid will soon be able to say 'no' if she is touched in an unwanted or aggressive way.

Samantha's new mode was demonstrated at a recent presentation at the Life Science Centre in Newcastle.

However, Professor Kathleen Richardson, who founded the Campaign Against Sex Robots, said: "This development is just an extension of pornography and prostitution and a waste of money which could be spent on better things."

He ate Coco Pops out of my dead pet tortoise's SHELL

FORGIVEN: Poppy still loves Lee

But I still love him!

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

A WOMAN has forgiven her fella after he mistakenly ate his breakfast COCO POPS out of her dead tortoise's preserved shell.

Hercules was eaten by rats in her parents' garage during winter hibernation five years ago, leaving Poppy Harrington crushed.

Poppy, now 22, had been given the reptile by her mum and dad when she was just a baby and was devoted to her hard-shelled pal all her life.

So when Hercules met his Maker, Poppy had his shell polished and preserved and kept the memento in her kitchen.

Scoffing

But Hercules' revered memory was tarnished when Poppy came into the kitchen last week and found boyfriend Lee Spender, 25, scoffing breakfast cereal out of the dead tortoise's shell.

Primary school teacher Poppy said: "I screamed at the c**t – 'What the F**K are you doing?! That's Hercules!' Poor Lee wondered what on earth was wrong.

"He had no idea the 'bowl' he was using was my Hercules' shell. I screamed at him for what seemed like ages and he kept apologising.

"But he was in the doghouse for a couple of days – I made him sleep in the spare room, just so he knew he'd done wrong.

"In the end I forgave him though, as I love the daft twat."

Lee told *Sunday Sport*: "I had no idea it was her dead tortoise's shell. I was a bit hung over and bleary when I went down for my brekkie and I couldn't find any clean bowls. I seriously thought it was just a bowl."

Poppy washed out the shell with Swarfega and has now mounted it on a piece of mahogany to prevent more mishaps.

Coco Pops were recently slammed by anti-food campaigners and the Scottish Government is set to ban the treat from school breakfasts.

'I'd had it since I was a baby'

Becky, 28, from Wolverhampton, said: "My boyfriend Steve has been asking me to go in *Sunday Sport* for months. Eventually, I thought, 'Why not?!'

"I've got 36DD boobs. And if you've got it, flaunt it, I say."

Flaming hell of snake in the grass

A TERRIFIED man burned his house down after spotting a SNAKE on his lawn.

The unnamed 47-year-old – who cops said had a "severe phobia" of snakes – spotted the adder while mowing his lawn and freaked out.

He poured PETROL on the reptile in a bid to scare it off.

Unfortunately, some of the petrol splashed onto his still-hot lawnmower, which exploded in flames and set fire to his wooden house in Siuntio, Finland.

A police source said: "To add insult to injury, the snake was identified as an adder, which is a protected species in Finland.

"Therefore, the man will be prosecuted for harming the animal."

Naked 'gibberish' man stood in road popping balloons

A MAN stood naked in the road while popping BALLOONS with his mouth.

Samuel Tumaini, 25, was detained in the Montgomery County Jail on suspicion of public indecency.

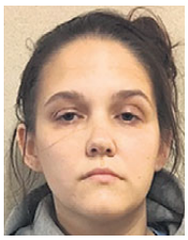
Cops responded to a report of a man standing naked in the road in Dayton, Ohio, while staring off into the distance.

On arrival, officers saw the suspect standing in the road, performing his bizarre balloon trick.

The officers ordered Tumaini to approach their vehicle and then handcuffed him and took him into custody.

It was reported that the officers noted a language barrier while attempting to speak to the man.

But it turned out that Tumaini *(above)* was merely talking gibberish and not a foreign language.



Missing 'sex crimes' teacher goes to cops

A FORMER teacher accused of sex crimes, who went missing with her ex-student in April, has turned herself in.

Nicole Jackson, 30, walked into a police station in Hattiesburg, Mississippi, and said: "Y'all can stop looking fellas – I'm the teacher who's having sex with the student."

The former Earl Travillion Attendance Center teacher was out on bail facing a charge of sexual battery in a position of authority when she and 16-year-old Oscar O'Neal II went missing.

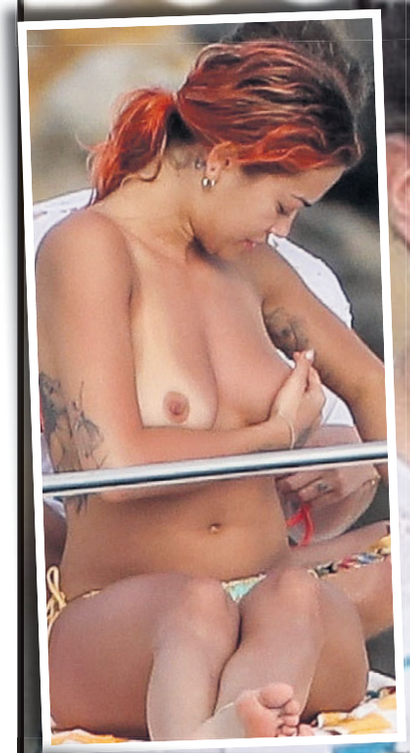
The teenager surfaced a few weeks later without Jackson.

Jackson *(above)* had two outstanding warrants for her arrest – contempt of court and contributing to the delinquency of a minor.

TRANS-ACTION

CAMPAIGNERS are calling for councils to put up mirrors "in all feasible public places" so that transsexuals can check their make-up.

BOOBS AHOY, MA



TEYS!

Pop babe Rita goes topless on holiday cruise

By SIMON DEAN
simon@sundaysport.co.uk

YO-HO-HO, me hearties!

Gorgeous pop star Rita Ora looked in the mood for a jolly rogering as she stripped her top off on a luxury yacht while spending time with beau Andrew Wyatt.

Watched only by the world's media, the loved-up couple were enjoying a romantic break in Italy when they took to the sea for a sunbathing session.

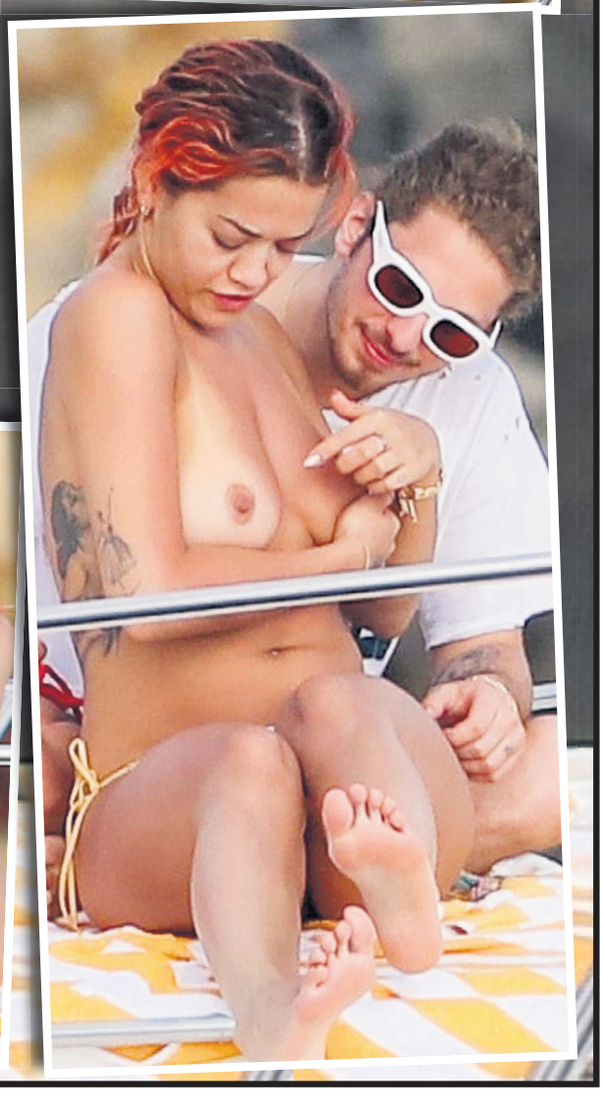
Rita topped up her tan as she stripped off her two-piece yellow bikini with a helping hand from her musician fella.

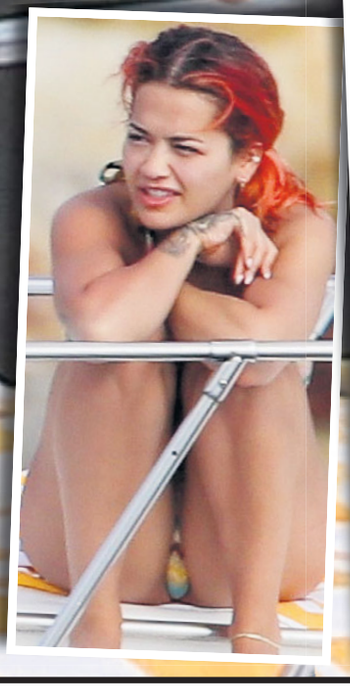
The loved-up pair recently raised eyebrows after he was pictured nibbling on her toes during a trip to the beach.

Rita, 27, made headlines after she revealed her latest track *Girls* is inspired by her own bisexual experiences.

The single received criticism from fans and other artists for being 'tone deaf' and exploiting the LGBTQ+ community.

The singer responded by tweeting: "I have had romantic relationships with women and men throughout my life and this is my personal journey."





MEET THE SPUNK HUNTERS!

Pair hooked on teen cock

TWO sex-mad friends – one of them a TEACHER – called themselves THE SPUNK HUNTERS as they went in search for fresh, hard COCK!

But Wendy Parker, 32, and her 22-year-old teacher mate Leonie Bright will now only get to taste jailbird MINGE after they were jailed.

The pair, neighbours in Great Bend, Kansas, developed a taste for hot, sticky teen jizz when Bright invited three 17-year-old pupils from her school to a pre-Christmas party back in 2016.

BANGED UP: (*l-r*) Wendy Parker and Leonie Bright

Ejaculated

A court heard that in a drunken game of "dare", one student ejaculated on Parker's face, then the two women "French kissed".

The court was told that in the coming months, the pair lured at least seven more students back to either Bright or Parker's home for depraved romps.

The duo persuaded horny lads to perform increasingly lurid sex acts including anal and even "fisting".

They discussed their conquests in texts, in which they also often described themselves as "The Spunk Hunters".

In text shorthand they'd ask one another: "Spk-hunt 2nite?"

Parker filmed several encounters on her phone and some recordings were played to the court.

In one clip, Parker – behind the camera – can be heard urging a youth: "Go on! F**k her right in the ass! Fill it with your hot cum!"

They were found guilty of unlawful sex, underage sex, and corrupting the morals of a minor.

Parker was sentenced to five years in jail, Bright – who was sacked from her job at Thomas Jefferson High School – was caged for seven.

10 things you might not know about PANAMA

TODAY England face Panama in their second World Cup group game in Russia.

A win at 1pm will see England go through to the last 16 for the first time since 2010.

But they face a tough Central American opponent who are enjoying their first World Cup appearance.

So to get you ready for the big game in Nizhny Novgorod, here's 10 things you may not know about the opposition…

1 PANAMA grows some of the world's best coffee, which can be tasted at Starbucks and other coffee houses all around the globe.

2 THE country's Buenaventura Golf Course is arguably the best in all of Latin America – it was designed by Jack Nicklaus and includes stunning views out over the Pacific Ocean.

3 OPENING in 1914, the Panama Canal has since been named one of the modern world's seven wonders and has seen more than ONE MILLION ships pass through it.

4 IT takes six to eight hours to travel through the canal, which serves more than 144 of the trade routes in the world.

5 PANAMA is the only place in the world where you can see the sun rise on the Pacific and set on the Atlantic.

6 THE country has the smallest population in Central America.

7 THE Panama Hat is really made in Ecuador – they were only named as such because they were shipped from Ecuador to Panama before then being exported worldwide.

8 THEIR sporting history isn't great – Panama has only ever won one Olympic gold medal, at Beijing 2008, for the men's long jump.

9 THE first attempt to build the Panama Canal was abandoned in 1893 after 20,000 workers died accidentally or through disease.

10 IT is billed as a perfect place for retirees, and they've not got youth on their side in the football team either – they had the oldest average squad age in qualifying and have five players who are 34 years or older in the World Cup squad.

ME AND MY MA ATE MY FOOT! (…and it tasted super beefy!)

BUTCHERED: Dave had lower leg amputated after bike crash

QUANDARY: Dave and his mates had talked about trying 'ethical' human flesh

READY, STEADY, FOOT: Limb was marinated overnight then fried

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK
news@sundaysport.co.uk

WHEN Dave Lewis lost his lower leg in a motorbike accident, he didn't want to part with the missing limb.

He toyed with the idea of having it desiccated – for use as a lamp – but when that turned out too expensive, he hit on a gut-churning wheeze…

EATING IT!

Dave, 30, of Clayton, Ohio, told *Sunday Sport*: "My friends and I always had this joke – if you could try human flesh in an ethical and healthy way, would you?

"And we always said of course. Well the opportunity came up and I called them on it.

"Originally I wanted to have my foot taxidermied or freeze-dried.

Mangled

"How cool would it be to have my foot stood around the house as a lamp or a doorstop?!"

Dave said he had no problem persuading the hospital to release his mangled limb.

He added: "Most hospitals have policies where they will release your body parts to you because of some religions where you have to be buried whole, so I just signed the paperwork.

"My mom, who was helping me

TES

SHIN OF BEEFY: Severed leg was cleaned up then frozen

get back on my feet, so to speak, drove me back to pick it up. She doesn't know I ate it, though.

"I went inside and the hospital gave me my foot in a red plastic biowaste bag. I brought it to the car and put it in a cooler.

"I got back to my place and froze it. I couldn't find a taxidermist who would take me seriously and freeze-drying was too expensive.

"It would have been £900 to freeze dry the thing – if I had the money, I would have done it.

"When we got back to my house, I took the foot out, and it was covered in blood and iodine.

"But after I cleaned it up, I was surprised by how well-preserved it was.

"I cut a chunk off the top of the shin. The skin was already off from the surgery, leaving a big chunk of muscle exposed.

"I took the muscle and put it in a plastic bag and froze it.

"I invited 11 people round. I said something like, 'Remember how we always talked about how, if we ever had the chance to ethically eat human meat, would you do it? Well, I'm calling you on that. We doing this or what?'

"And 10 of them said 'yes'. I guess we're a pretty weird group."

The foot was then marinated overnight and cooked with onions, peppers, salt, pepper and lime.

It was later served to the group on tortillas with a tomato sauce.

Dave recalled: "It had a very pronounced, beefy flavour to it. The muscle I cut was tough and chewy. It tasted good, but the experience wasn't the best."

Rating the meal a solid 6.5 out of 10, he added: "It tasted like buffalo, but chewier. Super beefy and not much fat."

SHOE-VELLE CUISINE: Dave and a group of pals ate his cooked foot with tortillas

I'm Jesus, naked man told cops

A MAN found lying NAKED on the back lawn of a house told cops he was Jesus.

The Magoffin County Sheriff's Department in Kentucky received calls of a naked man behind someone's house.

When cops arrived, they found the man lying in the grass.

The man refused to tell officials his name but did say he was 'maybe Jesus'.

After being taken to the Big Sandy Regional Detention Center, the man admitted his name was Austin Johnson.

Johnson *(above)* was charged with burglary, indecent exposure, criminal trespassing, criminal mischief, public intoxication and giving police false identifying information.

A police source said: "Time was, in these parts, a man falsely and blasphemously claiming to be Christ Our Saviour would have been taken to the swamp and drowned."

Maid 'blackmailed' teen into bonking her

A DOMESTIC maid has gone on trial on four charges of shagging her employer's teen son – and one charge of threatening to release a video clip of him WANKING!

The Indian national worked for the family for 18 months from the beginning of 2015 to July 2016 in Singapore.

A court was told the woman, 33, filmed the 15-year-old lad having a hand shandy.

She then blackmailed him into bonking her by threatening to release the footage if he didn't give her one.

The victim will testify that the helper "sexually exploited him progressively" on at least four occasions at his home, Deputy Public Prosecutor Chee Ee Ling told the court.

The woman faces five years in prison if convicted of the offences.

Sex client shot dead by 20st hooker gran's son

By WENDY THOMAS
news@sundaysport.co.uk

A MAN who complained that the "slim, 23-year-old beauty" prostitute he'd hired was in fact a 20-stone grandmother was SHOT DEAD by the whore's son.

Pete Glenn found an online advert for working girl Elizabeth Ann Brown and was taken in by the phoney description, especially as it was illustrated by a snap of a svelte model.

He agreed to pay $40 for sex.

But when he clocked the 51-year-old at her apartment in Nashville, Tennessee, Glenn became "vocally abusive", according to witnesses.

Violation

Brown's son, Rayshaun, arrived on the scene and, after what was described as "an altercation", he shot Glenn dead before fleeing in the slain man's car.

He was arrested three hours later by cops in the town of Spencer, 100 miles away.

Rayshaun Brown is now facing a murder charge and parole violation.

Elizabeth Ann Brown faces soliciting charges and an accessory to murder charge.

They'll appear in court next week.

Lefties to blame for far-right

ITALY'S new right-wing interior minister is proposing a "census" of all Roma people in his country, in a move which could see the Wops deport hundreds of thousands of gypsies.

The Yanks were locking kiddies in cages at the border of Mexico – until Donald Trump reversed the policy after a national outcry.

In Hungary the government makes Britain First look like a bunch of limp-wristed Corbynites.

And the government in Germany is teetering on the brink of collapse, with the far-right snapping at their heels.

Yes, the far-right on the march in Germany. Again.

For a supposedly-clever people, the Krauts don't appear to be able to read history books.

In Austria, the Czech Republic, Poland and Slovenia, political parties who take a dim view of anyone with a less-than-white face are on the rise.

Even here in sane, sensible Britain, support is growing for the political extremes – both left and right.

Why is the West being convulsed by the rise of authoritarian, right-wing politics not seen since the 1930s?

Take a bow all those people – whether it be self-righteous celebs bleating from the stage of their latest West End hit or the lowliest Twitter "Social Justice Warrior" – who whined that immigration control is "racist".

Control

Anyone who has opposed firm but fair immigration policies is directly responsible for the rise of politicians who would impose VERY firm and downright unfair border controls.

The "open door" policy has been a disaster.

Just ask Angela Merkel, fighting for her political life after declaring "come one, come all" during the Syrian civil war refugee crisis.

That was the cue for everyone to the east of the Danube to rush Germany's borders.

Just ask the Italians, pulling drowned migrants from their fishing nets.

Ask the women of Sweden, warned by police not to go out at night for fear of attack by men who don't have quite the same idea of gender politics as Scandinavians.

Yes, immigration is essential. A country that does not welcome some incomers becomes inbred and sluggish.

In Britain, immigrants are needed to do the work that our young people are unwilling to do.

But the same open doors that give the liberal left cheap cleaners and au pairs also breed great resentment among those who can't get in at the doctor's or have their kids' Christmas play replaced with something more "diverse".

If folk feel their financial security or culture is being threatened by incomers, they close ranks and throw up barricades. Reasonable people become unreasonable when they feel threatened.

The liberal left have ignored this for years and slandered anyone with genuine concerns as a bigot.

Well done, folks. Because of you, the REAL bigots are on their way.

TOFFEE CRISP WIFE MAN HELD FOR MURDER

CRUNCH TIME: Forensics experts outside a lockup belonging to Ray Peters who last week told *Sunday Sport* his wife's 'transformation'

A MAN who made the astonishing claim his wife had been turned into a Toffee Crisp by space aliens has been arrested for her murder.

Last week *Sunday Sport* reported that former nightclub boss Ray Peters was convinced that his missus Eileen had been mysteriously turned into the tasty chock bar by moonmen.

But police became suspicious when, the day after he spoke to *Sunday Sport*, former scrap metal dealer Ray, 62, attempted to cash in his wife's £2million life insurance policy – which had only been taken out in April.

Fragments

Forensics officers searched a lock-up belonging to one of Peters' many holding companies and found fragments of tooth along with hair and blood.

A wood-chipper was soon after found dumped in a lake in nearby woodland.

By GARETH SPRAINT
news@sundaysport.co.uk

Investigators found that in the week after Eileen's disappearance, Ray moved 19-year-old Hattie Maloney into his £2million five-bedroom mock Georgian house in Brentwood, Essex.

Aspiring glamour model Hattie, who has appeared as an extra in two episodes of *TOWIE*, was described as a "close friend" of tanning salon boss Ray who is "helping him through this difficult time."

As *Sunday Sport* went to press last night, authorities had obtained another 24 hours to question Peters over the latest findings.

In his interview last week in *Sunday Sport*, he categorically denied murdering his wife and warned of "trouble" for anyone questioning his wife's Toffee Crisp transformation.

If you go down in the w . . . you might meet MAD BRENDA!

LURKER: Brenda jumps out and shows her boobs to males, in the hope of getting some stiff cock

SOME people go off to the woods to soak up nature's beauty and the tranquillity of a forest setting.

Others go to spot rare birds and yet more take their shrieking children to ruin it for everyone else.

But Brenda Harrison has something else on her mind when she lurks among the trees…

SEX!

For the nymphomaniac – known locally as 'Mad Brenda' – leaps out of the bushes and flashes her large busters at male passersby, in the hope of them penetrating her sodden minge with their erect members!

Gibbering

Brenda, 29, told *Sunday Sport*: "I've given a few blokes quite a fright and a couple of ramblers have run away gibbering.

"But on the whole, when I leap onto the path, whip my boobs out and ask, 'Like what you see? Want to cop a feel?' they say, 'Aye' and within seconds they're mashing my teats.

"And more often than not, I get a nice bit of cock out of it."

But now Brenda's reign of naughtiness may be coming to an end.

Injunction

Bafton Foresty, owner of the 300-acre Bafton Woods south of Worksop, Notts, has applied for an injunction banning Brenda from the site.

A spokesman for the company said: "Bafton Forestry are committed to keeping Bafton Woods as an area for local recreation and the enjoyment of wildlife there.

"A cock-hungry madwoman leaping out of the undergrowth does little to enhance the utility of the woods.

"Unless you're a sex person, of course."

TEDDY BARED PIC-NIPS: Busty brunette loves to flash in public

Teen's mum catches him in bed with naked Miss!

A RANDY classroom assistant could end up in detention after she was caught naked in bed with a student…by the lad's MOTHER!

Cops became aware of allegations of a "potential inappropriate relationship" between school counsellor Shannon Hathaway, 33 (*above*), and the 15-year-old pupil.

A police investigation revealed that a male student from Harwood Junior High in Bedford, Texas, was allegedly involved in a physical relationship with the pretty blonde.

The teen lad ended the relationship after his mum caught them naked in bed, according to arrest papers.

After concluding the criminal investigation, an arrest warrant was obtained for Hathaway for the offence of Improper Relationship Between Educator and Student.

A lawyer representing Hathaway contacted the Department and arranged for her to surrender herself at the Tarrant County Sheriff's Department.

She resigned prior to surrendering to the police.

Nude cop-chase man flattened on M-way

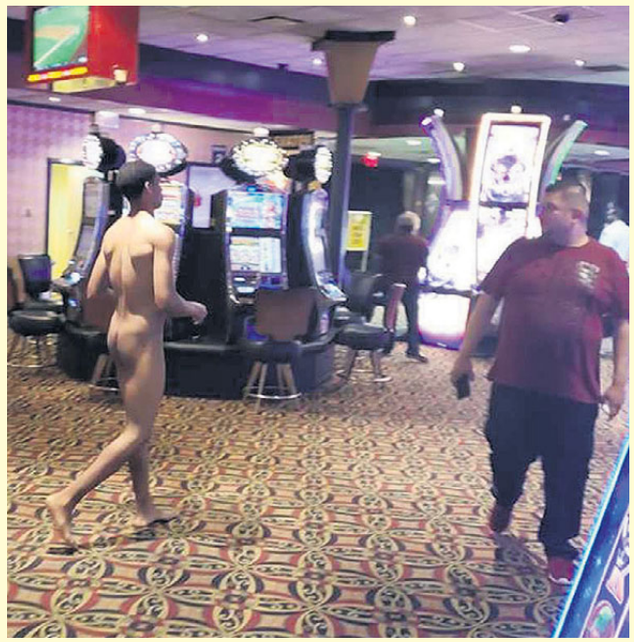
A NAKED man who led officers on a two-mile chase was squashed flat by a lorry as he tried to dash across a motorway.

Authorities say police first tried to stop the 23-year-old man in the early hours when he was seen driving his car the wrong way on Interstate 77 near Stowe, Ohio.

The man drove off, and his car was stopped when cops deployed a stinger.

Police say the man then ran from his car onto the motorway, where he was struck by a passing cement lorry.

Ohio State Police say drug use is believed to be a factor in the chase.



ARSE BANDIT!

A MAN stripped naked while drunk at a casino then hurled chairs at cops who came to nick him.

Terrence Roquemore, 24, is charged with assault on a police officer, resisting arrest and being drunk and obscene.

Officers responded to a call at 11.40pm regarding a "disorderly person" who had refused to leave DiamondJacks Casino & Hotel in Bossier City, Texas.

When they arrived, they spotted a naked man running around on the second floor of the casino "in an excited state," police said.

The man did not comply with orders from officers. A pepper spray used by police had no effect on the nude man, who then began to throw chairs at them.

Police fired beanbag rounds to successfully take the man down. He was taken to hospital where he remains.

He'll be booked into the city jail after his release, police said.

Two officers were injured in the incident.

Cops said that unfortunately a woman at the casino dropped dead after suffering an allergic reaction to the pepper spray police used on Roquemore.

MY FIRST TIME...

THEY always say you remember your first time...well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries – and sharing the spicy details of some other first-times, too!

Here we kick off with two saucy stunnas from Lincoln...

FIRST HANDJOB

DASHA: I was quite shy when I was 16 and the first thing I ever did with a guy was give a handjob. I pulled him at a party after a few gins for courage.

We found a bedroom and started snogging and he just took his pants off and put my hand on his willy. I was quite horny and just tugged him off.

I didn't expect him to come so quickly though and he shot it about five feet, which I was quite impressed with.

STEPHANIE: My first handjob was when I got a bit drunk with my boyfriend on cider in our local park and I was feeling randy so I started touching him down there.

We went into some trees and I pulled it out and started pulling him off. I'd been doing it for about two minutes when my older sister turned up and started shouting at me so we had to leg it.

FIRST BLOWJOB

DASHA: The second time I gave a handjob it ended up leading onto a blowjob. I had been with this boyfriend for about six months. We were in his room one night and had the house to ourselves.

I started tugging him off and I just found my mouth drawn to it. I must have got the hang of it very quickly because he came in minutes.

I wasn't so keen on the taste and spat it all over his bed. He wasn't very impressed.

STEPHANIE: I gave my first blowjob to my boyfriend in his car. We'd been to the cinema and were in the car park and he was about to drive me home when I got the horn and leaned over and went for it.

It was easy and felt really naughty, which turned me on more. After about five minutes he came and I swallowed it all. It was far more enjoyable than I thought it would be.

FIRST SEX

DASHA: The first time I had sex was really nerve-wracking. I was nearly 17 and did it with my boyfriend in his room.

We didn't plan it, we were just messing around one night and being a bit fruity when it led to us having full sex.

My boyfriend wasn't a virgin and told me I'd love it, but actually he was useless and it was over in no time.

It wasn't the best but I suppose it could have been worse.

STEPHANIE: I lost my virginity to my first boyfriend when I was 16. We'd been dating for about six weeks and it just felt about the right time.

We went into his bedroom to do it and although it wasn't his first time he was really gentle with me.

He only had a small willy, as I realised later when I had others, and to be honest I hardly felt it.

He came in just under a minute though, and then it was all over. It wasn't exactly the earth-shattering moment that I'd hoped for, quite frankly.

FIRST HUGE WILLY

DASHA: I had a fling with a guy on holiday when I was 18 and he had the biggest willy I've ever seen in my life.

I was drunk the first night we slept together and I thought it was my beer goggles just making it look a lot bigger than it was.

The sex was brilliant, and when we were about to have sex the next morning I had a look and realised it was a solid eight inches long.

Size definitely helps for great sex.

STEPHANIE: I'm still waiting for my first huge one. The biggest one I've had so far was seven inches long and that belonged to my most recent ex.

The first time I realised he was quite well endowed was when we were about to have sex and I saw the bulge in his pants – I thought it was going to be about nine inches so seven was a bit of a relief.

Sex with him was amazing and the first time we did it I had the time of my life. Big willies can make you have amazing orgasms.

> "I had a huge orgasm in about a minute, which must be some sort of sex record!"

FIRST BUM FUN

DASHA: I haven't had proper anal sex but my last bloke did finger my bum a couple of times and I quite liked it, especially when he later used his tongue as well.

It really stimulates you and is a bit like having a second vagina. The only thing I'm worried about is that with a willy it might hurt quite a bit.

Having said that it's only a matter of time before I give it a try.

STEPHANIE: A couple of my boyfriends have stuck fingers up my bum and it was surprisingly quite nice.

I haven't tried anal sex though because I'm a bit nervous, to be honest.

FIRST OUTDOOR SEX

DASHA: I went to a party once, pulled a guy and really wanted to have sex with him but there was nowhere to do it.

We started walking around looking for somewhere and eventually settled on a phone box. It was the first time I'd ever done it outside.

It was quite scary knowing people could see us but I was so excited I didn't really care that much. We both really enjoyed ourselves.

STEPHANIE: I did it outside for the first time last year. My boyfriend and I went for a naked run at 1am for a bit of a laugh and as we were running through the park he grabbed me and we started having sex in the middle of a field.

There was nobody around but it still felt really exciting and fun.

It was also really cold so we didn't get all sweaty while we were having sex which was nice.

FIRST SEX TOY

DASHA: My friend bought me my first vibrator last year. I was a bit sceptical about using it for the first time because I didn't think it would be any good, but boy was I wrong – it absolutely blew my socks off. I loved being able to stop and start as I wanted and within five minutes I'd had one of the best orgasms of my life.

STEPHANIE: My first toy was a Rampant Rabbit Thruster. I got it in January because I'd just split up from my boyfriend and didn't want to go completely without but didn't want to sleep about either.

I couldn't believe how brilliant it was the first time I gave it a go. In fact, it gave me my first multiple orgasm in just a few minutes. It was even better than my boyfriend had been in bed.

FIRST TIME FANTASY

DASHA: I lived out my first fantasy when I pulled the lifeguard at the swimming baths and had frantic sex with him in the changing rooms.

I fancied the pants off him because he was really fit and he used to go swimming really early before many people were around. He knew I was giving him the eye and chatted me up so I just jumped on him.

The sex was brilliant – we even did it in the steam room. In fact it was miles better than my fantasy had been.

STEPHANIE: My ex took me away for the weekend last year and I was really pleased when I saw the hotel lift was made of glass because I'd always fantasised about doing it in one being watched by people.

I couldn't resist it and the first night after a few drinks we had sex in there. We could see people downstairs pointing as we were shooting up through the floors and it was really good fun.

I was already sopping wet thinking about it and I had an orgasm in about a minute, which must be some sort of record.

JAMIE'S RIPPED AND STRIPPED!

By WENDY THOMAS
news@sundaysport.co.uk

GORGEOUS Jamie Leigh hasn't just got knockout boobs – she's got bulging MUSCLES to boot!

As well as being a top glamour model Jamie, 26, is also a competitive fitness babe.

The ripped lass, who's from Ipswich, Suffolk, trains for two-and-a-halfhours every day, six times a week.

Toned

She said: "I love my body now. I think a toned woman is so much sexier than a flabby one.

"Who wouldn't want a girl with a six-pack?

"The strict training schedule and diet have been really hard, but I've actually enjoyed it, so I haven't found it a chore.

"I have always been quite confident with my looks, but having muscles has taken my self-esteem to a whole new level.

"Now I'm always stripping off to flex my biceps at people!"

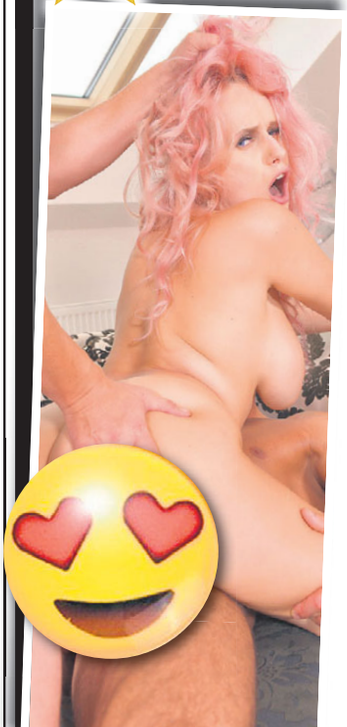
LEGENDS OF PORN

PART 9 ANGEL WICKY



By PENNY MARSHALL
news@sundaysport.co.uk

THERE is one word that folk often use when they examine adult movie star Angel Wicky's work: FILTH!

She has gone by many other names throughout her career including Wellie, Adriana, Angel Vicky, Audrey Argento, Veronica, Vikki, Welli, Welli Angel, or Welly.

The 38DD stunna, from Prague in the Czech Republic, started her porn career in 2010 when she was 19.

Angel always figured she'd be a performer of some kind, after studying music and art, and she always wanted to be on a stage, where she knew people would pay attention to her.

She said: "Then I realised – I like showing off. I like f**king. The ideal job for me would be a PORN STAR!

"And it was a good choice."

And the kinky porn you see her getting up to on screen is nothing new for the beauty – now 26.

Whenever you see a fantasy of Angel's acted out on-screen – like double penetration or a gangbang – she has already tried it in her own personal life.

Angel likes to stay busy when not shooting porn and loves to bake, work out, and watch films.

If you see just one of Angel's movies, make sure it is *Fancy Ass F**king*.

It's a joy!

ARIA: I LOVE IT ROUGH & READY

By WENDY THOMAS news@sundaysport.co.uk

KINKY Aria Giovanni was born in LA but, as you can guess from her name, she has Italian roots.

So she's gutted that Italy didn't make it to the World Cup finals in Russia.

But the 32F beauty can find other ways to entertain herself rather than watching football on the telly.

Curvy Aria, 34, said she enjoys rough sex and likes getting spanked.

She said: "I really love being submissive and for a guy to boss me about and take control. It's such a massive turn-on.

"Power is such a strong aphrodisiac. I love being knelt on the floor looking up into the eyes of a strong, sexy man.

"I love being spanked, having my hair pulled and being bitten lightly.

"It's so animalistic and it's an adrenaline rush. I love to experience all sensations!"

PICK

TODAY

MONDAY

***World Cup 2018: Spain v Morocco* – BBC1, 6.30pm**

GARY Lineker presents coverage of the match at Kaliningrad Stadium, where the teams contest their concluding Group B clash (kick-off 7pm).

In addition to having never playing each other at a World Cup before, these nations also have contrasting records, with Morocco only ever having won two games in their five appearances, whereas Spain won six matches in 2010 alone when they lifted the trophy in South Africa.

With analysis from Cesc Fabregas, Didier Drogba and Alan Shearer, and commentary by Steve Wilson and Martin Keown.

Is there a junior doctor in the house?

***Britain's Best Junior Doctors* – BBC2, 7.30pm**

NEW series. Jo Brand hosts a quiz in which two teams of junior doctors from teaching hospitals around Britain do battle, with in-house medical expert Dr Helen Lawal on hand to explain the medical jargon.

The first heat features University Hospitals of Leicester v Kettering General Hospital, and the contestants tackle an array of rigorous questions ranging from diagnosing a patient's symptoms, prioritising cases in a mock A&E department, and getting stuck in with their chosen specialism.

Teams compete for the highest score of the week to win a place in the final.

OF THE TELLY

Three lions roar back

***World Cup 2018: England v Panama* – BBC1, 12.10pm**

GARY Lineker presents coverage of both sides' second Group G match, taking place at Nizhny Novgorod Stadium in Russia (kick-off 1pm).

They'll be facing opponents who are playing in their first-ever World Cup, with Panama progressing after finishing third in the CONCACAF qualifying group.

They finished above the likes of the USA and Trinidad & Tobago, with the President of Panama declaring a national holiday after they made it through to the finals.

With analysis from Alan Shearer, Frank Lampard and Rio Ferdinand.

***Tennis: Queen's* – BBC2, 2.30pm**

THE Fever-Tree Championships. Sue Barker presents coverage of day seven of the men's grass-court tournament at Queen's Club, featuring the singles final.

Unseeded Feliciano Lopez was celebrating in west London in 2017 – the Spaniard came from a set down to beat Croatia's Marin Cilic and finally claim the title at the 12th time of asking.

Both players were among the names scheduled to compete this time around, as Wimbledon preparations continue.

***Supersonic* – BBC2, 11pm**

DOCUMENTARY about the early years of Manchester band Oasis who dominated the charts in the mid-1990s.

The film focuses on the relationship between Gallagher brothers Noel and Liam, including their infamous sibling rivalry, and also features rare concert footage.

With Noel Gallagher, Liam Gallagher, Peggie Gallagher, Paul 'Bonehead' Arthurs, Paul 'Guigsy' McGuigan, Tony McCarroll, Alan McGee and Owen Morris.

F**king nice one!

TUESDAY

***World Cup 2018: Denmark v France* – ITV, 2.30pm**

ALL the action from both sides' third and final Group C encounter, which takes place at Luzhniki Stadium in Moscow (kick-off 3pm).

These countries have clashed twice before during World Cup finals, with Les Bleus winning 2-1 at the Stade Gerland in Lyon during their home tournament in 1998, and Denmark gaining revenge four years later with a 2-0 victory in Incheon, South Korea.

Presented by Mark Pougatch, with commentary by Clive Tyldesley and Glenn Hoddle, analysis by Henrik Larsson, Martin O'Neill and Lee Dixon, and reports by Jacqui Oatley and Eni Aluko.

***NHS at 70* – BBC2, 8pm**

ANITA Rani and Nick Robinson present the centrepiece of the BBC's NHS at 70 season, with a live broadcast from Birmingham's Queen Elizabeth Hospital.

They will celebrate 70 years of the National Health Service before asking questions about the NHS today and in its future, in front of an audience of patients and professionals at the heart of the debate about Britain's best-loved institution. "Best-loved" – after *Sunday Sport*, that is.

DON'T MISS THIS!!!

***The Bridge* – Friday, BBC2, 9pm**

IN the last-ever episode of this stunning Swedish-Danish series, oddball detective Saga finds a match for the killer's fingerprint and seems to have the case solved.

But as she sets out to finally bring him to justice, a last minute revelation involving a seemingly insignificant detail suddenly changes everything.

All four seasons of *The Bridge* have been brilliant and it will be sadly missed.

If you've not tuned in to the first three series, the box sets are all on BBC iPlayer.

THE WORLD FAMOUS AGONY Page

Dear Sam,

MY wife and I have been married for 10 years and she often has affairs – which turns both of us on.

It was a few years back that we agreed it was OK for her to enjoy other men, and I've seen her in all sorts of filthy action.

She once invited a bloke she met in a pub back to ours and dressed up in PVC before letting him back-scuttle her at the top of the stairs.

She also had five fellas round to the house once and let them gangbang her in the living room – taking a messy load off each.

Her most recent affair is with her boss who likes to treat her like a slut. And she loves it when I go down on her afterwards.

Is this normal behaviour for married couples?

GG, Bristol

Sam says...
YOU should contact other swingers in the area and let it all hang out.

Dear Sam,

I WAS fishing on a local canal a few weeks ago when a woman stopped and asked if I'd had any bites.

I offered her a sandwich and a cup of coffee and we got on so well that she invited me to her place for a meal that evening.

But before we could eat, she peeled off all her clothes to reveal a lovely firm body.

I got a massive hard-on and she was soon sucking me off like a good 'un, paying particular attention to my swollen bollocks.

Then I took her upstairs and shot my load into her bumhole, before she sucked me off again.

What do you think of that, then?!

RF, Lancs

Sam says...
WELL done you, for dipping your rod! Make sure you don't fall off your perch if the old trout dumps you.

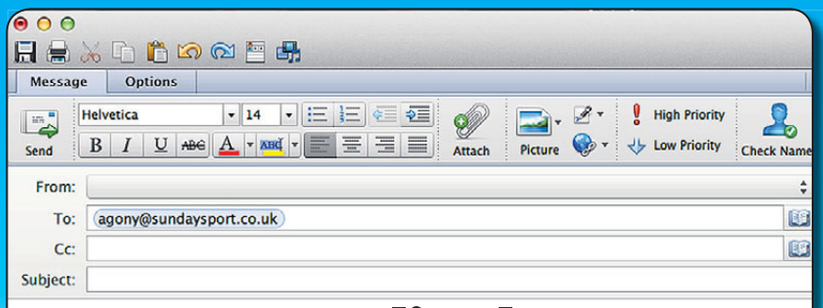
AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters and emails. Here's her advice...



Sexy cyclist leaves me feeling saddle phwoar

Dear Sam,

A COUPLE of weeks ago I was knocked down outside my house and, for a time, it made me the happiest man in the world.

I was just on my way to the newsagent's when a cyclist came careering around the corner and twatted into me.

Thankfully, I escaped with just a few cuts and jumped back up, ready to give the cyclist a right mouthful.

But I was stopped in my tracks when I saw that it was the beautiful blonde who lives just a few doors up from me.

She apologised and then I noticed she had a cut on her leg.

I led her to my house and got her to lie on the sofa while I cleaned and dressed her wound.

The lady was in some pain and pretty soon so was I – as my dick rose in my pants at the sight of her lying there in her Lycra shorts and top.

Then she noticed my bulge and started rubbing me through my keks as I applied a plaster to the gash on her leg.

Soon after, I eased off her shorts and buried my face in her clump, which was hot and sweaty from her exertions on her bike.

Lapped

After I lapped at her fanny for some time we swapped round and she gave my rampant rod a good sucking.

Since then, we've become an item – which is fantastic.

But the problem is that she now wants me to join her on long bike rides and I'm certainly not as fit as her.

What should I do?

CB, Cheshire

Sam says...

ENOUGH sex with her should get you in good shape. Go for it!

Dear Sam,

MY daughter's best pal is a 19-year-old blonde and I have been shagging her for the last month.

She's brilliant in bed and loves sucking my cock and then smearing my spunk all over her firm tits.

And she has let me take up the arse a couple of times – something the missus has never let me do.

The sight of her pert arse and generous boobs lying naked on my bed never fail to get me going.

But the problem is I think my daughter saw me boning her mate last week.

I had the afternoon off work and thought the house would be empty.

I was giving her a proper seeing-to when I heard the front door slam.

As my wife was away, I figure it must have been my daughter.

It would destroy me if my wife finds out.

What should I do?

FP, Glasgow

Sam says...

STOP seeing this girl, then hope your daughter didn't see or hear anything.

HEY! I'm from the flat upstairs! I'm trying to study! Do you mind turning your music down?
Oh, lighten up and have a f*cking Rhubarb-arito!
DRINK IT! DRINK IT!
Yeah, you prick

Sam says...

IF your want to know how to make your own Rhubarb-arito, it's two shots vodka, two sticks rhubarb.

Angel's Russian home – for sex!

ALTHOUGH she's lived in London for the past three years, Angel Rivas's heart will always be in her home country – Russia.

And the 26-year-old headed home so she would be back in Moscow for the World Cup.

By WENDY THOMAS
news@sundaysport.co.uk

The 32D stunna said: "I love football and am so happy that the World Cup has come to Russia.

"Whatever people may think, Russia is the friendliest place in the world and everyone is having a wonderful time there.

"I am also looking forward to sucking off a cock from hot men of every nation attending the World Cup.

"That is my aim. I like the cock and the hot spunk splashing all over my face. HA! HA!"

STORMY DANIELS

It cost Donald $130,000 (allegedly) but you can enjoy her for just £15!

PORN superstar Stormy Daniels finally broke her silence – and possibly a legal agreement – to spill the dirt on Donald Trump spilling his muck!

The writer, director and star of dozens of hardcore movies told of her night of passion with the President of the United States and, frankly, didn't seem that impressed.

At the time she was in her prime at 27 while he was 60 and probably couldn't believe his good luck!

It as bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her $130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c*** in each hand and another deep inside her?

Well, here's your chance!

Operation: Tropical Stormy is the woman born Stephanie Clifford in Louisiana at the top of her game in a big budget seaboard adventure. The f***ing scenes are just SEXsational and you'll watch them over and over again.

This 3DVD box set would normally cost you £25 in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pat £15! So, if you want to see Stormy taking some massive meat you know what to do!

RRP ~~£25~~ Bring this Sunday Sport & you pay £15

I WILL GET MY TEETH INTO SPAIN

Suarez ready and waiting for a tasty clash in the knockouts

LUIS Suarez believes Uruguay can knock out Spain in the next round — on their way to winning the World Cup.

By JOHN ANTHONY

The Barcelona hitman has been in decent form so far in the tournament and scored on his 100th cap in a tight win against Saudi Arabia.

That secured their place in the last 16 — now they take on hosts Russia tomorrow to see who tops the group.

It may not make too much difference because Spain or Portgual await when the knockouts start.

Suarez doesn't care who Uruguay come up against because he believes they have enough firepower to beat anyone in the tournament.

He boomed: "I have always said since arriving here that Uruguay are feeling very confident, we're really up for it, but sometimes how you play depends on the day.

"It doesn't matter who we play in the next round, if we want to go as far as possible we have to beat everyone.

"If we are to dream of being world champions we have to beat the best in the world, and Spain are one of the best."

Uruguay haven't hit anything like top gear yet and have plenty more to offer as the tournament gets toward squeaky bum time.

Suarez is happy with his own form in Russia.

He added: "I'm very happy to have been able to help with the goal.

"On a personal level you always try to help the team as much as you can. But obviously a striker lives off goals and this time the happiness I felt from scoring also gave us the three points.

"I think that we have to be happy with qualifying.

"Okay, there are things to improve because we aren't playing quite in the way we'd like.

Magnificent

"But this World Cup is proving that what matters most is the result.

"Against Saudi Arabia it was a demonstration that it is so difficult to win a game in a World Cup.

"You learn a little in every game but World Cups are like this, the team that wins is the one that takes its chances.

"So we're very proud to have reached the last 16 for the third time in a row and we will enjoy this magnificent moment and hope to continue."

Despite having attacking talent like Suarez and PSG hitman Edinson Cavani to call on, Uruguay are built on a very strong defence.

Many pundits call their Atletico Madrid defender the best centre-back on the planet and he's been key to keeping two clean sheets.

He is pleased with his form and wants to keep things tight at the back.

Godin said: "When you win it's always positive. We also kept a clean sheet which is really important. We have to keep on improving collectively, but when you win it's always better.

"We'll go out to win the game against Russia as they're feeling confident after making a strong start.

"We know we could be paired with Spain in the last 16 we're ambitious but we have our feet on the ground.

"It's one versus one in the last 16 but what we want most of all is to improve, to keep doing things well and just wait and see which opponent we get."

Russia have arguably been the team of the tournament so far and midfielder Aleksei Miranchuk has warned Uruguay that they are in for a difficult game.

Pushed

The hosts have scored eight goals in two games and are determined to keep the ball rolling despite already been through from the group.

Miranchuk said: "Uruguay is a dangerous team, they have good goalscorers. But we won't be pushed off our game."

Spain aren't through yet but a point would do against

TTING HOT IN RUSSIA

HE'S GOT BITE: Luis Suarez is not scared of facing Spain

Morocco. If they want to top the group, they have to better Portugal's scoreline as Ronaldo and Co take on a capable Iran side.

It could yet come down to the FIFA fair play points to decide who wins the group if Spain and the Portugeezers both win by the same scoreline. So the team with the fewest cards during the group stage coming out on top.

If they are the same, then lots will be drawn!

The latest rumour coming out of the Spanish camp is that Liverpool are trying to pull off a staggering £150million deal for Real Madrid stat Marco Asensio.

Reports in Spain say that the Reds have made contact with the Champions League holders over an unlikely deal for the 22-year-old.

The same insiders say that Madrid are open to the move because they want the money to bring Neymar from PSG.

Despite being rated as one of the world's most exciting prospects, Asensio is mainly used as a sub by Real.

Letting him go would make space in the team for Gareth Bale who has been told he'll be a first-team regular at the Bernabeu under new manager Julen Lopetegui.

Plan

Meanwhile, interim Spain manager Fernando Hierro says he wants the job for good.

He insisted before the tournament he wouldn't shake things up after coming in so close to the World Cup kick-off.

Now he sounds different. Hierro said: "I'm the national team manager. I am happy.

"Everything we are asking of the players, they are doing to the letter. We know the plan perfectly."

NEY-VAR: The video referee did the Brazil ace no favours

SAD THAT VAR IS WORLD STAR

I KNEW it. I just bloody well knew it. VAR is virtually taking centre stage at the World Cup just one week in – God help us when we reach the serious stuff in the knockout stages.

I'm in favour of using technology to improve decisions – Hawk Eye for goal-line ones works a treat – it's instant and fair which is what we all want.

All we have with VAR however is just more inconsistency. When France were awarded a soft penalty against Australia following a VAR consultation, I just knew right then that England would be denied one in exactly the same circumstances.

I was wrong of course – we were denied TWO!

The thing is, VAR was intended for black and white howlers – missed hand-balls, blatant offsides and the like.

To use it for subjective stuff like penalties is madness – we're still debating whether or not several hundred crucial spot-kicks throughout footballing history were kosher – now we're just making it worse.

Accountability is the key here I think. I always said that, just like coaches and players, referees should be interrogated live after a match and shown their decisions which they should be able to explain.

This is of course a little harsh because we all appreciate how hard it is for one man in the middle to see everything and wouldn't be right.

However, this collection of numpties sat watching and judging what is and isn't a penalty should be made to explain, for example, exactly why they didn't feel Harry Kane being wrestled to the ground against Tunisia wasn't worth a second look.

UNSEEN: Kane penalties

★As far as the football goes, it's been an absolute cracker so far. Goals – and even an early shock – and of course an encouraging start from England – which hopefully we'll build on today against Panama (preferably without any intervention from VAR).

Fact Hunt

Last week I asked: Can you name the Six teams that have been unbeaten but not the champions in the same finals? The answer is: Scotland in 1974 (1 win, 2 draws), Brazil in 1978 (4 wins, 3 draws), England in 1982 (3 wins, 2 draws), Cameroon in 1982 (3 draws), Belgium in 1998 (3 draws) and New Zealand 2010 (3 draws).

This week's World Cup Fact Hunt is: Who scored the winner for the USA against England in 1950 in one of the greatest ever World Cup upsets?

CARRY ON HARRY: Kane needs to keep scoring

KANE ON FIRE

ENGLAND left it late but an injury-time strike from Harry Kane saw them beat Tunisia 2-1 which was a deserved success.

Harry 6-1 from 33s for Golden Boot

Bookmakers were secretly hoping for a draw but with the Three Lions in the driving seat to qualify we are pleased that the interest should continue at least into the next round.

England as always are the worst loser in the outright book and since the encouraging opener they have shortened from 16/1 into 10/1 with punters still happy to keep the cash coming as the patriotic punt gathers momentum.

With no side yet putting down a marker at the tournament backers have every right to get excited as the open nature of this event continues to throw up shocks galore.

Kane is now a red hot favourite at 1/12 to be the leading England goalscorer having been well supported at 11/10 before kick-off while hopes are high that the Golden Boot could be achievable and the 33/1 we first offered over a year ago has dwindled to single figures under an avalanche of support.

Next up should be the formality of three points over Panama this afternoon. The World Cup debutants were competitive in the first half against Belgium in their opener before finally succumbing 3-0 but defensively Kane and co will be rubbing their hands at the thought of the chances which should be on offer.

Kane was a 6/1 chance before a ball was kicked in anger to bag four group goals and that is now just an even money shot with the Spurs marksman just 8/1 to help himself to a hat trick against the minnows.

6/4 to score against each group opponent should keep the interest alive until the final game with Belgium with Kane surely bound to find the net this afternoon.

In the hope of an attacking open encounter I will select over 2.5 match goals at even money as my recommended wager.

★Group H is intriguing with early favourites Colombia and Poland both surprisingly beaten in the first round of fixtures.

This always looked the most difficult section to call and with no real minnows hard to predict. The second round of matches take place later today with table toppers Senegal and Japan meeting. The Africans are 5/4 favourites to record the win that would see them qualify.

Although Japan took advantage of an early Colombia red card I saw enough to see they are tricky and expect both to be happy with a point so the draw at 2/1 appeals . Colombia were arguably unlucky to suffer defeat and should bounce back in the evening against a Poland side that looked extremely short on ideas.

A fit James Rodriguez should inspire the South Americans to victory at 6/5 and reignite their title aspirations with 100/1 quotes likely to be far shorter at the close of play.

★Monday will see the start of the final round of group games although in Group A Uruguay and Russia are already qualified.

However the late games which kick off at 7pm have much bigger implications with only eliminated Morocco out of the picture.

A draw against the Africans will see Spain through to the last 16 and it's difficult to know whether winning the group or finishing second is better at this stage.

Russia or Uruguay will be waiting and on current form both would offer a stern opponent.

The Spanish were perhaps a little fortunate that an offside flag saved them when recording a narrow 1-0 win over Iran but they looked useful notching three against Portugal and look capable of going up a gear during the tournament.

This should be an open attacking affair for viewers and in the expectation that goals are guaranteed, over 2.5 at 10/11 is the selection as Morocco have been very unfortunate to remain goalless so far.

★Portugal will join their deadly rivals if they avoid defeat against Iran. That is far from certain however and if Iran match their performance against Spain they could produce an upset.

Take them with a goal start at 6/5 which gives us the insurance of the draw too.

Shaq on the attack over goal antics

XHERDAN Shaqiri has defended his wild celebrations after scoring the winner for Switzerland against Serbia.

The Stoke City forward made a gesture referring to the Albanian flag — as did fellow scorer Granit Xhaka. They both have links to Kosovo — with Shaqiri wearing the flag of that disputed territory on one of his boots.

Shaqiri said: "I think in football you have always emotions.

"You can see what I did and I think it's just emotion. I'm very happy to score this goal. It's not more. I think we don't have to speak about this now."

Switzerland manager Vladimir Petkovic was delighted to come from behind and win 2-1 — but he could have done without the fuss.

He said: "You should never mix politics and football.

"It's clear that emotions show up and that's how things happen.

NO POLITICS: Petkovic

Mettle

"I think we all together need to steer away from politics in football and we should focus on this sport as a beautiful game and something that brings people together.

"I think we should not talk that much about politics but show our mettle on the pitch."

The Swiss boss was delighted with the spirit shown by his players as they coped well with going a goal down in a match they couldn't afford to lose. He added: "What is important is we have developed a winning mentality.

"Even if we are down, we try to be positive and win each game. We always find a reaction and this is a positive characteristic of our team."

The Bosnians appeared to have yet another penalty missed by VAR when Aleksandar Mitrovic was wrestled to the ground Harry Kane style inside the box.

Now they need to take three points from Brazil in their final game.

Their manager Mladen Krstajic said: "We're in a situation where we need a win against Brazil and we will focus and do whatever we can to try to win. Nothing is impossible in life.

"We respect their status as the favourites to win, but we are going to prepare.

"They have some weak spots that we are going to try to exploit."

BELGIUM GIVE IT A REST AGAINST ENGLAND

Martinez to leave out his stars in Three Lions decider

ON TARGET: Lukaku lifts the ball home

SPOT ON: Eden Hazard

BELGIUM will rest key players against England after qualifying for the knockouts by beating Tunisia.

This game was a walk in the park as Roberto Martinez's men brushed aside their opponents with ease.

Eden Hazard picked up a minor knock after scoring two goals, while Romelu Lukaku also got in on the act with a double strike.

Solid

Chelsea's forgotten man Michy Batshuayi got the other goal but the Belgians could have easily hit double figures with the amount of chances they created.

Things weren't quite so solid at the back as Tunisia scored twice, through skipper Wahbi Khazri and Dylan Bronn.

The win means that a draw against England would mean the Belgians top the group — unless the

Three Lions beat Panama by six goals today, which they could do of course.

But it looks as though Martinez will make sweeping changes for the clash with Gareth Southgate's men on Thursday night.

As well as Hazard's problem, several other Belgians are also carrying knocks.

Martinez says he's concerned about Romelu Lukaku who was also subbed off and key midfielder Dries Mertens.

In any case, he wants to rest players ahead of the knockout stage.

The former Wigan and Everton boss said: "We need to look at Lukaku's ankle. He took a knock and has to be assessed.

"Eden Hazard has a calf knock, Dries Mertens has an ankle problem. There will be major changes against England.

"If we could have seven days to prepare, I'd say we'd start with the same team, but the reality is that you are only as good as the 23 players."

Hazard confirmed that it was a calf issue that forced him off the field in the closing stages. He said: "I felt something in my calf in the first half but nothing big and I think I will be OK tomorrow."

Martinez was pleased with his team's performance but has challenged them to take another step forward as they go further into the tournament. He said: "Many things can be better. This was a game that suited our style, you have to give credit to Tunisia.

"They wanted to win from the beginning, press high up. The credit was that we deserve is that we took those opportunities well.

"We are still growing. With a two-goal lead we lead we should have controlled the game a little bit better."

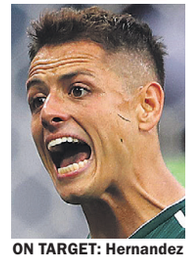
BIG BELGIANS: De Bruyne and Hazard

Deserved

Tunisia will be out of the tournament if England get a draw against Panama and boss Nabil Maaloul was apologetic.

He said: "As expected, it was a very difficult match. Ever since we were drawn into this group we knew Belgium were going to be a tough opponent.

"We would like to apologize to the Tunisian fans who were numerous in the stadium today. Belgium deserved to win."



ON TARGET: Hernandez

Chicharito hits 50 as Mexicans cruise it

South Korea	1
Mexico	2

MEXICO survived a late scare to land their second win of the World Cup.

They were cruising to victory against the South Koreans thanks to a penalty from Carlos Vela and Javier Hernandez's second-half strike.

Tottenham forward Heung-min Son gave his team some hope by smashing in a world-class strike from the edge of the box.

But it came deep into injury time and Mexico were able to see it out for their victory.

It was a special afternoon for Hernandez as the West Ham striker notched his 50th international goal.

It came after a South Korea move broke down in midfield and the Mexicans broke forward quickly.

Hirving Lozano fed Chicharito who sent defender Jang Hyun-soo for the pies with a sharp turn.

He then mishit his shot but it had enough on it to beat the goalkeeper.

Nightmare

Korea were fuming because it looked as Ki Sung-yeung was fouled in the build-up.

There were no complaints about the penalty that gave Mexico the lead.

Hyun-soo had another nightmare as he handballed an Andres Guardado cross. Vela kept his cool to send the goalkeeper the wrong way.

Son Heung-min was by far the best player in a South Korea shirt and it was no shock that the Spurs man did the only really good thing for them in the match.

His cracker of a goal was too little, too late though.

Their only other real threat was a half-hearted penalty appeal for a handball.

Despite crying for a VAR review from on and off the pitch, it was a weak appeal and the whistleblower was right to dismiss it.

Even after Korea's late consolation, Mexico had another chance but Hector Herrara panicked in front of goal and boomed his shot into the stands.

SAME AGAIN: Gomez has picked the team that lost to Belgium

Panama boss sticks with his Belgium flops

PANAMA coach Hernan Dario Gomez says he got no help from seeing England's supposed teamsheet earlier this week — as he named his own unchanged side to take on the Three Lions.

The Central Americans were beaten 3-0 by Belgium in their opening games but it will be the same 11 in Nizhny Novograd this afternoon.

Gomez said: "The line-up will be exactly the same. I like how my team worked. The team that starts the match is the one with the most experience, that's one of our assets. As a starting XI we are very organised and tactical."

The Colombian veteran is at his third World Cup and has seen it all before.

He thinks the outcry about the England team "leak" is laughable.

Gomez added: "It doesn't afford me any advantage.

"I think each and every coach needs to make sure they're 100% prepared and ready regardless of the opposition.

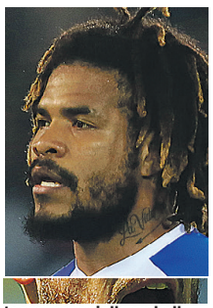
Stars

"It doesn't matter who plays, because if one doesn't play the other is just as good."

The Panama chief is a big fan of England and rates them above the Belgians, who hammered Tunisia 5-2 yesterday to qualify from the Group.

Gomez said: "England are going to be our hardest match by far.

"They don't have a lot of individual stars like Belgium and Eden Hazard, but they work well as a team, especially on ball recovery, and are an excellent team. This is going to be a very tough nut to crack.



"We could lose 3-0 again or even worse, but mathematically we still have the possibility to progress.

"I told my players today that they can still qualify.

"If we play in an organised way we know how we can make their individual players have a hard time — we admire them but we can't give them any space.

"There is only one ball on the pitch and we're going to fight for it."

The World Cup is causing hysteria back at home in Panama with the players being lauded as heroes.

Gomez hopes that will still be the same after this afternoon.

He added: "Just as the country is pleased now, tomorrow or the day after they could hate us and we lose four years of work.

"But 90 minutes can change your life."

WORLD CUP MATCH PREVIEW

VARDY PARTY FOR HARRY

Jamie thrilled to see Kane do

JAMIE Vardy is happy to see Harry Kane doing so well up front for England — even though it means he's not getting a game.

By PAUL THOMAS

The Leicester hitman has been left in the wings as the England skipper has made the No9 shirt his own.

With boss Gareth Southgate only wanting one central striker in the side, Vardy isn't getting a look-in while Kane does so well.

There's no doubt that the 31-year-old would rather be on the pitch but he understands that he still has a role to play in the 23-man England squad.

He joked: "He's not annoying at all!

"At the end of the day we're all here for the same reason.

"We just want to win as many games as possible and he just popped up with two goals that got us all three points.

"You've just got to keep going, make sure you're putting the effort in on the training field, getting in the manager's plans and hopefully if you get the chance make sure you stay in the team.

"I just do exactly what I do every day during the season — give as good as I can, give 110 per cent and if I get the opportunity that's what I'll be doing again."

Unsettled

The England team was waved around in front of the world's media by assistant manager Steve Holland, who has apologised for his slip-up.

Vardy insists that the players have not been unsettled about the side against Panama leaking out. He doesn't think it gives the Central Americans much help knowing who they are likely to be lining up against this afternoon.

Vardy added: "All that is saying is telling our next opponents we've got 23 players in the squad and letting them know their names again. They knew that already.

"We find out the team on the morning of the game or the night before and until the gaffer names the team that's the way it is.

"What the gaffer has said is everyone in the 23-man squad is going to be needed at some point, so we've just

got to stay focused and put the effort in.

"The attitude and atmosphere is vital, you want to go the extra yard for your teammates and the performance the other night showed that."

England were boosted by the return of Delle Alli to training yesterday.

Training

He played 80 minutes in the opening 2-1 win against Tunisia despite seeming to be injured before the interval.

Is turned out that he had a quad injury.

The Tottenham man is not likely to start against Panama this lunchtime. Alli took a full part in the warm-up but he stepped aside when the more serious training started.

He did his own fitness work just before the whole squad flew out to Nizhy Novograd where they face the Panamanians.

Boss Gareth Southgate said: "We have to wait and see whether Dele is going to be fit. It's looking unlikely because he has not trained fully with the team yet, but he's progressing really well, so we won't rule that out just yet."

Ruben Loftus-Cheek impressed when he came on for a cameo against the Tunisians and looks set to step in for Alli.

Southgate has also been having his say about the "teamsheet" being leaked out, claiming it makes no difference whatsoever to anyone in the squad.

Boosted

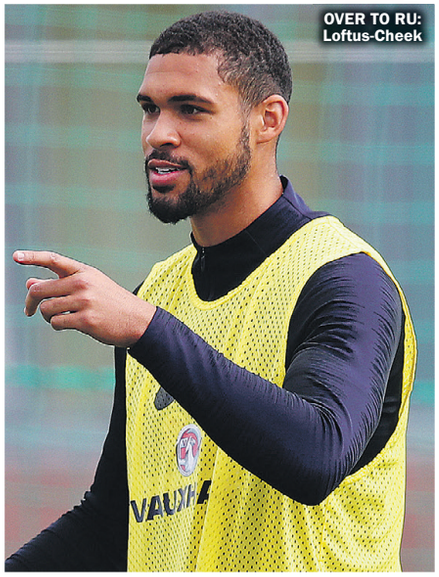
He denies that it showed the full team and was merely a squad training list and the final XI was still open for discussion.

He did accuse the press of helping the opposition though by zooming in — so maybe he's slightly more worried than he makes out, although there is still a relaxed feel to his press conferences.

A victory for England today will mean they are through to the last 16 with a game to spare.

Given that Belgium boosted their goal difference with a thumping 5-1 win against Tunisia, the Three Lions will have to beat them in the final game on Thursday to top the group.

It's hard to say who the Three Lions would face in the last 16 — at this stage it could be any one of Japan, Senegal, Poland or Colombia depending how the wide open Group H pans out.



OVER TO RU: Loftus-Cheek

Southgate can turn to Cheek says Hodgson

RUBEN Loftus-Cheek is more than up to the task of stepping into Delle Ali's boots against Panama.

That's the verdict of former England manager Roy Hodgson who had the midfielder on loan from Chelsea at Crystal Palace last season.

The 22-year-old is likely to line up today with Dele Alli struggling with a quad strain. He is not likely to be risked with bigger battles to come.

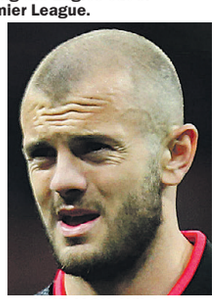
Hodgson was massively impressed with the midfielder who played a full part in getting the Eagles out of relegation trouble in the Premier League.

He has won five caps and impressed when he came on for the final 10 minutes against Tunisia.

Hodgson has no worries at all about Loftus-Cheek coming into the fray.

He said: "I do think he's ready, yes, definitely, 100 per cent."

Loftus-Cheek hasn't had enough time at the top level to show the English public what he's capable of yet.



LIKE JACK: Wilshere

Power

But Hodgson thinks he could end up being one of the biggest stars in the country.

He likens him to the powerful German Michael Ballack who was an important part of Chelsea title wins under Jose Mourinho.

He also thinks there is more to his game than power and sees a lot of Jack Wilshere in him too.

Hodgson said: "I'd say he goes by people more than Ballack did.

"I think he's got Ballack's power and his pace and his strength — he's definitely got that. But he's maybe got more strings to his bow than even Ballack had.

"That's a bold thing to say, I know, but he's so good at going past people. He's got that deceptive turn of pace.

"In that way he's a bit like Jack Wilshere really. That ability to receive a ball in tight situations and then come out very quickly on the other side and open a game up.

"That's a skill because passing players can't do that. Passing players have to pass it and then get it back again.

"Ruben can twist and turn his way out of tight situations and, as I say, open a game up. And then he's very powerful going forward.

"I think he can add more goals to his game. I'm sure he will as time goes on."

Should Loftus-Cheek not play, Southgate could go for the more defensive Fabian Delph who was stripped to come on when Ali was first injured against the Tunisians.

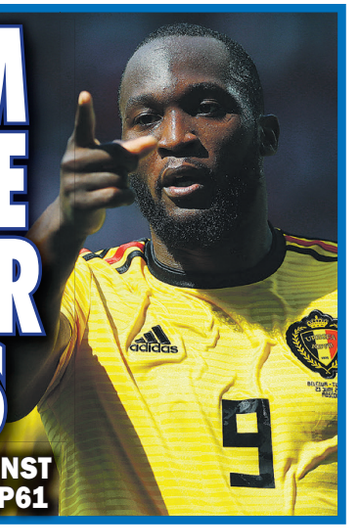
BELGIUM TO LEAVE OUT STAR PLAYERS



WEAKENED TEAM AGAINST ENGLAND SAYS BOSS: P61

UP FOR A FIGHT

We won't take Panama lightly says Southgate

ON THE WARPATH: Southgate

GARETH Southgate says his England players won't take Panama lightly.

By JOHN ANTHONY

The Central Americans looked a modest team when losing their opening game against Belgium.

They barely got out of their own half and celebrated a corner like most teams mark a goal.

England will be through to the last 16 if they win and Southgate is taking nothing for granted.

He said: "We've seen already the difficulty big countries have had in breaking down lower-ranked teams.

"That's been a theme right the way throughout.

"There's no way there's any complacency in the way we've prepared for the game."

Even a draw would more than likely be enough to see the Three Lions through — but that would be a poor result.

Southgate added: "The situation in the group is obviously a healthy one for us, but we've got to focus on our performance.

"We want to show people an England team can play in a different way.

"We've got technically good players, we want them to get on the ball and express themselves and really attack the game like we did the other night."

Southgate has also called on fans to stop having a go at reporters who "leaked" the England team after coach Steve Holland's notes were photographed in training.

He said: "There's no drama. The picture the other day wasn't even the team so it was even less of a drama, it was a list of runners and riders for the training session.

"I am totally relaxed. I understand a few of the English reporters have had a bashing on social media, sorry for that and I don't wish that on anyone as I have had it myself."
